8–10 pt

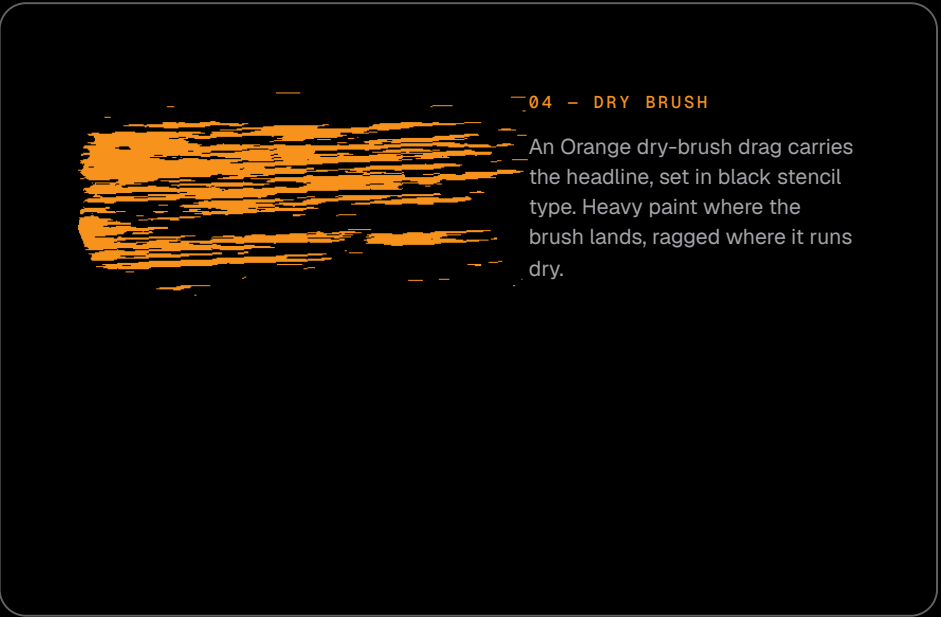

02 — AIRBRUSH

Amber strokes with a solid core that dissolves into spray grain. They frame the layout and pass behind everything else.

03 — SWASH + DRIPS

A Chalk swash sprayed in 3–5 passes with overspray. The logo sits on it and drips run straight down from its lower edge.

04 — DRY BRUSH

An Orange dry-brush drag carries the headline, set in black stencil type. Heavy paint where the brush lands, ragged where it runs dry.
